

Provisional enrollment is intended for applicants who meet the academic admission requirements for a specific UWS program but are missing some of the required admissions materials, which include but are not limited to official transcripts, TOEFL, GRE or MAT test scores and or letters of recommendation. The Office of Admissions determines academic eligibility for provisional enrollment.

Students admitted under provisional enrollment must submit all outstanding items prior to the last day of his/her first term of enrollment. Provisionally admitted students who do not meet the end-of-quarter deadline will be ineligible to enroll in the next term. Extended deficiency may lead to dismissal from the university.

In the case of DC students planning dual-degree enrollment (i.e., DC/MS), the student's official undergraduate degree transcripts may not be available by the start of the term the student wishes to begin the MS program. Students in this situation may be provisionally admitted, at which point they would be allowed to enroll in MS courses. As above, students would need to provide an official degree transcript before they will be allowed to enroll for MS courses in subsequent terms.
