

The use of tobacco, marijuana or cannabinoids in any form including: smoking; use of e-cigarettes (personal vaporizer, electronic nicotine delivery system and/or other similar devices); chewing tobacco; applying marijuana-infused or cannabinoid-infused oils, lotions or creams; consuming marijuana-infused or cannabinoid-infused edibles; or any other use is prohibited in all campus buildings and grounds, in off-campus health centers, locations where UWS has participant agreements, and at all university-sponsored events. Employees who choose to smoke or use tobacco and/or e-cigarette products during the workday must leave campus or their work location to do so.

This policy applies to all students, employees, volunteers, patients, vendors, contractors, visitors, and campus guests. Individuals who fail to comply with this policy will be subject to appropriate disciplinary action up to and including being required to leave the campus grounds or facility (in the case of patients, volunteers, vendors, contractors and guests), dismissal from the university, and/or termination of employment.

The university complies with all federal, state, and municipal laws and regulations regarding possession and/or use of smoking and tobacco and marijuana products.

Note: In support of this policy, the university offers smoking cessation services and/or referral to resources through the office of human resources, the office of student services, and the Health Centers of UWS. Additional resources are available at the Oregon Tobacco Quit Line by calling 1-800-QUIT-NOW or registering at [quitnow.net/Oregon](http://quitnow.net/Oregon).
