Students are responsible for reviewing the requirements for the new credential program to understand if courses taken as part of the previous program satisfy requirements in the new credential. Students may [contact their student success advisor](#) for additional information or questions.

Academic Program Changes

UWS students intending to make changes to their academic program that are not listed above must apply for and be accepted into the academic program they now intend to pursue. Refer to [Policy 2001 Admission Requirements](#). Students who elect to discontinue the academic program into which they originally matriculated and enroll in a new academic program via the admission process must withdraw from their original academic program.

Students intending to make an academic program change may contact the [office of admissions](#) for assistance.
